Customer reviews There are no customer reviews. Decision Making Leaders should be well acquainted with the decision making processes used within their individual teams. Post was not sent - check your email addresses!

Since leaders are dealing with individual personalities in the team environment  
Leading Virtual Project Teams: Participation on a virtual team means that an individual's work and contributions are not readily observable.

Leaders should also guard against groupthink, where pressure is put on all team members to conform to the group's decision.  
The blocker is a dominant personality who automatically rejects the views and perspectives of others out of hand.
