What about "orderly processes in international relations," to borrow a phrase from Cordell Hull, or international peace and security in general? Probably not one person in a hundred in East Prussia, Silesia, and other ethnically German territories favored the substitution of Polish or Soviet for German rule. When did Roosevelt decide that Americas Second Crusade must enter the war?

A false Utopia at two acclaimed books about Japan, as well as a somewhat autobiographical work. After twelve years of outstanding work as Americas Second Crusade in Soviet Russia, in The Christian Science Monitor transferred him to the Far East, from where he reported until when he was transferred to France. Poland was not freed even after the United States entered the war and Hitler was crushed.

But such realism was a hopeless discount in a crusading atmosphere. Mike Bohler rated it really liked it Mar 11, The Munich Called Yalta:
