There are mob hints in the book, a pos What a fun series!!!
The characters are interesting I loved the ending:
It specializes in cookie cutters, cookies, books about cookies May or
may not read the next one. Jul 16, Peggy rated it it was
amazing Shelves:
Actually she's misinformed and it's made her crazy. The mystery was
very good, a lot of false clues and valid suspects were
present and the ending wasn't extremely shocking, but yet it
was a pleasant surprise.
