When the Jesuits settled in the church of San Salvatore in the heart of the Jewish quarter, the Jews were obliged, into pay the sum of 3, gold scudi to have them relocated - a sum insufficient to cover the costs of 35 dramatic productions at court by the Jewish players. As these clear the obstacles from the comprehension of the letter, the devout reader will the more easily and joyously advance to meditation upon the spiritual truths of Scripture. The emerging hypothesis is that both forms of construction were implicit in the presentation of the annual play by the Jews, namely an unflinching response to ducal command in keeping with an established tradition, and

the protection of the Jewish community as an artistic resource.

Martin Bucer's historical exegesis of the Psalms" in Church History 53 The study of politics pertains both to the acquisition and the exercising of authority, as well as to the organizational processes that affect the relationships between interest groups. Although they concentrate on the earlier centuries, two other studies are relevant:
