Feb 09, Jen Petro-Roy rated it it was amazing Shelves: Definite must read for students - little bit fantasy and a lot realistic.

It's about the power of friendship and family, finding your voice, and the magic of music. It's a Billboard Hot and number 10 on the Easy Listening chart. I loved this book!

Through story she is able to show how friends can bond together to bring out the best in each other. The book is too big for my library but it would be awesome in a middle school library.
