A story, it seems, people have yet to be told, a meat that people have yet to fully understand. Famous Mountains in Iceland Most Icelanders have their favourite mountain and some mountains are more known than .

Where are the most accessible geothermal areas, and what geological features? What are the Northern Lights? This is not a problem during summertime.

Read on to find out everything you need to know about the glorious Midnight Sun. A minority of Icelanders support whaling, it seems, based on little more than the idea that outsiders have no right to critique what they consider to be a cultural practise.
