Turbulence can take numerous forms, but its most visible manifestation is in "permanent change of station moves" PCS moves which take place when soldiers enter or leave the Army or when they are reassigned from one station to another individually or with a unit that is relocated. Definitions of Domain Expertise App.

TheGlobalCommandLevelGCLisresponsibleforcoordinatingtheactivities See what's been added to the collection in the current 1 2 3 4 5 6 weeks months years. This research seeks to determine the extent and policy determinants of PCS moves, in the recent past and in the future, and to propose a range of alternative policies the Army could pursue to reduce instability and hold down costs, and by so doing, perhaps enhance cohesion and readiness. Two areas needing additional analysis are the self-development component of the NCOES and the alignment

between enlisted personnel management policy and professional development.
