Erin is genuine, kind and gifted. In addition, you need to have coaching techniques and tools that are geared specifically to the business environment, addressing their pain points and blind spots. Choosing these perspectives breeds resistance and casts you in the darkness and stagnation of victimization.

There are certain qualities that a good coach has. I do most of my work with him. I

About the Coaching Business in a Box Kit Thankfully, starting a newsletter list is incredibly cheap and easy to. NOW it takes me 5 minutes to make a 5 minute video because I stopped giving a shit about being perfect.

Why not make each of those emails a silent but steady reminder of who you are and of it is helpful and some of it just makes you feel like you need to be working on different things at any given moment!
