Brisk hits her themes hard, from the Introduction, a useful primer in the debate over how to define terms such as "bilingual," right through the six chapters. She is interested in issues of language, culture, equity, and identity, especially as they impact—or are affected by—literacy practices.

Her interest in educational advocacy grew during her years as a special education teacher. Instead of following a prescribed model, schools can work on discrete aspects of the program in order to create a successful whole for their particular community. A classroom teacher and reading specialist for over a decade, he has also worked internationally as an ESL teacher, teacher trainer, and curriculum specialist.
