The Physics behind Psychic Ability | The Weiler Psi

IN conclusion, Mr. Price emphasises his own views on the independent examination of mediums by remarking that it has been his practice to introduce them to.

Physics vs psychics > Analysis and Opinion (ABC Science)

A particle physicist at the University of Hawaii, Stenger sets forth a purely materialist, reductionist view of the universe. The transcendent--gods, spirits, religious.

This book critically examines theories of a transcendent reality in terms of all that is currently known about matter at its most fundamental level. Victor J. Stenger.
