Save the money and buy yourself something nice when you get. In thirty-two personal essays—more than half of which are here published for the first time—the writers describe how they were seduced by Paris and then began to see things differently. And no, I haven't found Parisians to be as snobby and unyielding as they are often portrayed .

I persevered to finish it. And, as an English woman explains in the essay, the atmosphere is not as romantic as you might expect. View online Borrow Buy Freely available Show 0 more links A Town Like Paris. At last, peeking through the clouds I caught a glimpse of the Eiffel Tower; I felt the tinge of excitement that had brought me to Paris as I joined my classmates in the scramble to take low-quality photos of an image that was already fading from view.

How Blue Is My Valley. This anthology encompasses all the feelings of romance. A wonderful compilation of short stories by writers from many countries sharing their experiences of "The City of Light".
