to be among the fastest-growing industries in Chart 1: Total nonfarm employment and healthcare and related employment,. January.

New Roles for Medical Assistants in Innovative Primary Care Practices

A large percentage of what needs to be done does not require a medical degree. We would be working with medical assistants (MAs), and it would be unreasonable First, don't underestimate the importance of making the MA feel like an integral part of your care team. Use EHR templates to guide MAs' history-taking.
