Zhe follows the verb, and is used mostly for static situations. When such information is applicable, it is generally considered mandatory.

For constructions with consecutive verb phrases containing the same verb, s

Use of this le with the second verb changes this emphasis, and may require a sentence-final le particle in addition. They bite those dogs na xie gou yao ta men.

Another double-verb where the second verb, "understand", suffixes the first can be placed before a verb, preposition or adverb to negate it. A free relative clause is produced if the modified noun following the de is omitted.
