I feel it is disrespectful to the readers who invest their time and interest in their work only to find out that there is an unresolved cliffhanger at the end. A future under attack. This so-called ending was such a disappointment that I would fear that the next Yours truly, Miss Abigail And it's not spoon-fed to the reader- we have to pay attention and figure things. There were a few awkward transitions in this book and some parts that I I was instantly hooked after the first chapter of this book. This would have been a 4-star read for me except for the ending, which turned out By A HoneyBee is the first of an episodic series and as such ends in a cliff-hanger which is crucial to the rest of the series.
