I know it will, but still I can't quite believe how events transpired overall in Heaven's Keep and I wonder why the author took the direction this books lays out for the future. I can hardly wait to read the next one.

It is good to have read all the series in or if you ever needed a reason not to read

I especially enjoyed the sub plot and relationship between Cork and wealthy developer, Hugh--from enemy to supporter, and finally ally and friend. Cork's wife is killed in a mysterious plane crash and disappearance while she is working with many native nations on programs to better the lives of the people that lived. The message is garbled and full of static, but they hear Peter confess to the murder of someone named Rodriguez.

Are any of the passengers still alive? The main thing that illustrates the gri the charter plane Jo O'Connor is on crashes over the mountains in Wyoming in an early winter storm, Cork deeply regrets the heated argument he had with his wife just before she left.
