At its peak, the group controlled an area containing an estimated 2. At its A History of the Middle East extent, the Arab Empire was the first empire to control the entire Middle East, as well three-quarters of the Mediterranean regionthe only other empire besides the Roman Empire to control most of the Mediterranean Sea. Although the first chapter tries to summarize a couple of millenia in a few pages and therefore reading this chapter becomes an almost unbearable burden, as Mansfield approaches more modern times, the books turns into an easier read and it really helps clarify many of the doubts I had about the region and helped me understand much of what I had no idea .
