During a train ride in Italy, my new husband and I chatted up an elderly couple with the help of our trusty Italian phrase book. They all had the perfect conversation starter for their networking.

Unfortunately, it was near the bottom of the pyramid. He made a short but graceful announcement when we went over the Tetons. On our trip to California, we visited the Getty Museum. I studied science in college but later chose a path of art, film and climbing. I reminded the listener that everyone of us is working hard to balance it all. Next time I saw this speaker, we happened to be waiting for our plane at the airport after a conference. I would like to expand my knowledge and experience in marketing, whether by actively playing a role or by viewing managers working in these areas.
