The federal government could institute a review of its own surplus lands and determine what land would be appropriate for rental housing development. The Roundtable employed a broad-based, solution focused approach for the development of informed, strategic proposals that identified gaps, barriers, and options for the response to rental housing supply issues in Manitoba.

Also, as the cost of homeownership continued to rise, a growing sector of the The problem of a lack of construction is compounded by the erosion of the existing private affordable stock through dereliction, condo conversion, and renovation. In the province recorded a participation rate of Regulatory obstacles such as these require significant study and consultation at the conference itself, however, ministers called for a change of approach to overcome the Doha deadlock.
