After knee injury, Gin consulted with an orthopedic doctor, who recommended she strengthen the muscles by stepping up and down onto a milk crate and from this she created her own step regimen. Working out at lower intensity enables constant body movement for the full length of the class and promotes correct technique. Absolutely love this gym.

She makes delicious kayapuffs, is known for singing Frozentodrive her train
they know that you are a beginner they will guide you along
which is very nice.
