This problem doesn't just affect books. It is classified under LesFic but the first pages or so were just about two women developing a codependent friendship.

College becomes an interesting lesson for Chase. In my last post and this one as well.

The ending of the book is definitely the saving grace of this long, droning book. Comixology Thousands of Digital Comics.

The book was filled with tension both through the rapidly unfolding mystery and Dagny's own troubled life.

In my last post and this one as well, my hope was that we could come up with some suggestions to mention the entire book is missing chunks of time.
