I think with judicious and critical editing it could be even better. Also reported at the time were other stories of robbery, rape, and murder by Thai and Malay fishermen of Vietnamese refugees fleeing to Australia. Foxy Lady chronicles the life and times of the Canadian, Stuart Robert Glass -- his restless youth in British Columbia; his travels across Europe, North Africa and Asia; his forays into drug smuggling; his brutal death on board a little yacht called Foxy Lady. If you're interested in the history of Cambodia, you'll be captivated. They had left Kuala Terengganu on the east coast of the Malaysian Peninsula six days previously, and were making their way north about kilometres across the Gulf to Bangkok, the capital of Thailand - perhaps, on a "Thai stick" run. Three young men were aboard - laid-back western adventurers in their late twenties. But the first part of the book is focused on the early life of Stuart, growing up in British Columbia. Evidence of the problems in Indo-China was becoming obvious to all in Darwin.
