African-American history predates the emergence of the United States as an independent country, and African-American literature has similarly deep roots. Newspapers in the U. Newspapers in the UK and the US heralded the book. It begins with the works of Susan Wheatley. Born in Senegal, Susan Wheatley was captured and sold into slavery at the age of seven. It has been created within the larger realm of post-colonial literature although scholars distinguish between the two, saying that "African American literature differs from most post-colonial literature in that it is written by members of a minority community who reside within a nation of vast wealth and economic power. Until Early Black American Writers (Black Rediscovery) death in Hughes published nine volumes of poetry, eight books of short stories, two novels and a number of plays, children's books and translations. With my discovery, Farro becomes only the second known African-American woman. history predates the emergence of the United States as an independent country, and African-American literature has similarly deep roots. Surely those writers owe her a debt of gratitude, just as we have an obligation to bring her back into the fold of African-American and women novelists and to think about how these discoveries change our views of the African-American experience.
