Problems and failures as well as successes are reported.

Sustaining and Diffusing Equitable Change.

Looking Ahead to an Equitable World. The authors' underlying belief is that

Providing many examples from action research projects in more

than a dozen organizations of different kinds, the authors

show how using their method of integrating rather than

separating personal-life considerations from the workplace can

achieve positive outcomes, not only for workers but also for

the work. Bibliography Includes bibliographical references p.

The authors detail actions taken in several consulting

assignments with various companies, sharing surveys and

meeting agendas.

This bold new book shows that it is the deeply engrained separation of work and

and failures as well as successes are reported.
