Many of these paleontologists respected Mary as a skilled and knowledgeable fossil hunter and paleontologist. A story worthy of Dickens, *The Fossil Hunter* chronicles the life of this young girl, with dirt under her fingernails and not a shilling to buy dinner, who became a world-renowned paleontologist. Volume 1, Ancient Science Liba Taub.

Many of these paleontologists respected Mary as a skilled and knowledgeable. She had an instinctive understanding of the fossils and bones she was finding, and could immediately envision the prehistoric monstrosities those tiny pieces should form.
