The sad, hopeless way in which some of the battles are described and the almost-genocide at Szar is truly heartbreaking, as well as how the deaths of the main characters are handled. Any authors or characters we're missing that we should add? Books 2 and 4:

This book is all about war. This guy has an unbelievable imagination, nothing is cliched, and there are still six books left for me to read in all. To view it, click .
