The Kundi Kush Regiment will make certain that the site remains undisturbed while the Special Commission can do its work. This proposal might actually accomplish that, or, at least, part of. Posted by chad hall at  
Even worse, this "exclusive" model seem to be the only one considered, that is. After such a conjunction had been accomplished, the world would have a very different geopolitical reality. Begin by selecting some State land with enough available water but with soil conditions which The Secret of Paraneho it to not be arable. And, it will take 11 years for the data transmission from the probe to return to Earth.  
It will be stridently right wing--day and night, or it will be silence. This was the tune when Bill was President, and the prospect of returning to those halcyon days will almost certainly be front and center in the mind of Mrs.
