These projects require minimal equipment, only five colors and absolutely no previous experience. In this book, with a teaching style as easy and inviting as his paintings, Wilson guides you step by step through ten charming wildlife scenes on canvas.

I suspect they are not actual size plus it is difficult to print out patterns. I highly recommend this book and any of his training material. See our Returns Policy. Includes mini-demonstrations that focus on key landscape elements such as trees, rocks, water and clouds. JoerateditlikeditOct01, He makes painting possible for everyone from the newest painter to the more experienced. It has lovely projects.
