We have become so used to this condition that we regard it as natural. The exercises provided were very helpful.

The book also contains practical exercises for honing your powers of concentration. Though most people would admit that good concentration is a great asset, yet, most of them, do nothing to strengthen it, because they don't know how, and because they lack the motivation to do so. Wasn't so much current.

Learn How to Focus Your Attention. Due in part to Atkinson's intense personal experience, I found this book nearly 20 years ago and also recently purchased on Amazon.
