The Last Human - Wikipedia

My name is Theo, and I'm a resident of Oasis, the last habitable area on Earth. It's meant to be a paradise, a place where we are all content. Vulgarity, violence.

Theo wakes up and wonders where Mason is and he asks Liam who does not remember who Mason is. She annoyed me especially toward the end of the book. I've got to stop reading self published authors.

The writing was easy flowing, quick-witted and suited the story just perfect.

Then come Chapter 16, and it turns out it was really Lily telling Clay's story for him, since he couldn't do it. I do not usually read The Last Human this genre of book but it kept me interested and happy. This page was last edited on 30

It is heart-breaking, violent, loving, lonely, serious, funny, surprising.
